

18in Right Angle SATA Cable with LP4 Adapter

StarTech ID: SATA18POWRA

The SATA18POWRA SATA Data and Power Cable features a combination right-angled 22-pin SATA receptacle data and power connector as well as an Molex (LP4) power connector and a SATA receptacle data connector, allowing you to create a conventional Serial ATA data connection to a computer while powering the drive through an LP4 connection to the computer power supply.

The right-angled SATA connection enables you to plug in your Serial ATA hard drive in hard to reach areas or tight spaces, providing the flexibility required to position the SATA hard drive as needed within the computer case, while eliminating the expense of upgrading the computer power supply for the sake of SATA compatibility.

Constructed of only top quality materials and designed for optimum performance and reliability this 18" SATA data and power combo cable is backed by our lifetime warranty.

Applications

- Installing Serial ATA hard drives, and DVD drives in Small Form Factor computer cases
- Server and storage subsystem applications
- Connections to SATA Drive Arrays

Features

- 1x Right-Angle SATA (Data & Power) Receptacle
- 1x Molex (LP4) Power Connector
- 1x SATA Data Receptacle
- Supports full SATA 3.0 6Gbps bandwidth

Technical Specifications

Warranty	Lifetime
Cable Jacket Type	PVC - Polyvinyl Chloride
Connector A	1 - LP4 (4 pin; Molex Large Drive Power) Male
Connector A	1 - SATA (7 pin; Data) Receptacle
Connector B	1 - SATA Data & Power Combo (7+15 pin) Receptacle
Type and Rate	SATA III (6 Gbps)
Color	Red
Cable Length	18 in [457.2 mm]
Shipping (Package) Weight	0.1 lb [0 kg]
Included in Package	1 - 18in Right Angle SATA Cable with LP4 Adapter
